STIMULATING

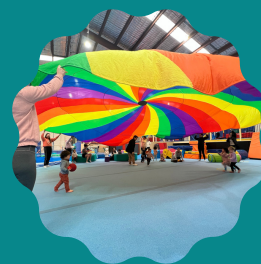

PLAY

The benefits of stimulating play for toddlers and young children is astounding!

Our Discovery Gym program allows children to challenge their bodies and minds in a fun and safe environment. It is an open play program designed to develop key milestones for children aged 0 to 5 years old and their families, as well as, an open age group for children of all ages.

SENSORY EXPLORATION

CIRCUITS, OBSTACLES, ACTIVITY STATIONS

Allows children to challenge their bodies and minds in a fun and safe environment

BARs, BEAMS, TRAMPOLINES, FOAM PIT & NINJA COURSE,

Develop physical and cognitive skills in a fun and playful way, at their own pace through guided exploration
