6. Injury Protocol

- Parents/guardians must notify Bunnerong Gymnastics of an injury as soon as practicable by emailing info@bunneronggym.com.au. Notification must include a description of the injury and a medical certificate, where applicable. Ongoing updates regarding the student's recovery and medical instructions must be provided throughout the injury period to the Head Coach.
- In the event of an injury, students may be offered a modified training plan, which may include conditioning exercises, non-weightbearing activities, or skill specific drills. Participation in modified training is expected unless a medical certificate advises complete rest.
- Competitive squad students who are injured may continue attending training sessions and registered competitions, provided they have medical clearance. With approval from both a qualified healthcare provider and the Bunnerong Gymnastics Head Coach, students may observe corrections, stay engaged with the squad, and participate in modified strength and conditioning activities where safely possible. Regular attendance, even in a limited capacity, supports the student's psychological wellbeing and helps reduce the impact of time away from full training.

- A formal medical clearance is required before the student can resume full training. This clearance should outline any restrictions or return-to-sport guidelines (if applicable), and must be submitted at least 48 hours prior to the student's return to the Head Coach for review and planning. Bunnerong Gymnastics reserves the right to deny full participation until adequate documentation is received and reviewed.
 - Where applicable, Bunnerong Gymnastics may recommend or require the student to engage in physiotherapy or rehabilitation. Parents/guardians agree to support adherence to any prescribed rehab programs that may be integrated into training sessions under coach supervision.
 - Students who experience extended absences or limited participation due to injury may be re-evaluated for competition eligibility and/or squad placement. All decisions relating to competition readiness, skill modification, or ongoing placement are at the sole discretion of the Head Coach and are based on student safety and squad performance standards.
 - Please note: Placement in a competitive squad, as well as ongoing lesson planning and student development, requires consistent attendance and commitment. Extended absences may impact a student's confidence, skill retention, performance, and overall progression. The coaching team cannot be held responsible for setbacks due to missed training.
 - Parents/guardians acknowledge that participation in gymnastics carries inherent risks. Bunnerong Gymnastics takes all reasonable precautions but shall not be held liable for injuries sustained during training or competition. It is the responsibility of parents/guardians to ensure their child is covered by appropriate personal accident insurance policy.
 - Fees remain payable throughout the injury period unless a formal credit has been arranged due to a long-term injury (three weeks or more) supported by medical documentation and subject to management approval. Attendance in a modified or observational capacity is considered active participation and does not qualify for a fee reduction.

14. Code of Conduct

At Bunnerong Gymnastics, we are committed to creating a safe, respectful, and inclusive environment for all students, staff and families. By enrolling, all participants and their families agree to uphold the following standards:

- We promote a positive, respectful, and inclusive environment for all members of our community.
- Bullying of any kind, whether towards students or staff, will not be tolerated. Bullying is recognised as ongoing behaviour that negatively impacts mental health, and must be taken seriously. All students and parents must be made aware of this policy.
- Any form of abuse, intimidation, threats, rudeness, passive aggression, coercion, disruptive or unsafe behaviour, whether written, verbal or physical, may result in immediate termination of enrolment without refund.
- Verbal or physical abuse towards staff, students, or other members is strictly prohibited.
- Parents/guardians must inform anyone involved in dropping off or picking up children that they are also expected to follow our Code of Conduct.

Participation & Conduct in Class

- Bunnerong Gymnastics is a dedicated gymnastics centre, not an after-school or child-minding service.
- While we welcome students of all abilities, ongoing disruptive behaviour that affects the quality of the session or prevents others from learning will not be accepted.
- All children are expected to follow instructions, show respect to coaches, peers, and behave safely at all times while participating in classes or events.
- Repeated disruptive or unsafe behaviour will be addressed by staff and may result in discussion with parents/guardians.
- In cases where behaviour does not improve, Bunnerong Gymnastics reserves the right to suspend or cancel a student's enrolment to maintain a safe and positive learning environment.

Child Safety & Reporting

- It is important that students report any concerning behaviour from a coach, staff member, or fellow student to a parent/guardian. This includes but not limited to:
 - Poor or inappropriate language
 - Threatening or intimidating behaviour
 - Unwelcome or uncomfortable physical contact
- Once aware, parents/guardians must report concerns immediately to a senior coach or the Club Manager.
- If a parent/guardian behaves in a way that breaches the Code of Conduct, Bunnerong Gymnastics reserves the right to cease communication, deny them access to the premises, and decline their attendance at events such as displays or competitions. A new authorised contact person will need to be provided.
- Adults must not approach or speak to children, other than their own, on the premises. If you are concerned about a child's wellbeing, please notify a staff member immediately. Assistance should only be offered to another child if you have a family relationship with them and it is safe to do so.

Physical Contact in Coaching

- Gymnastics coaching may at times involve appropriate physical contact to ensure safety, assist with alignment, or support movement.
- In most cases, coaches will explain their actions or ask permission to ensure the child feels comfortable and safe. However, for safety reasons, coaches may need to act quickly: for example, to prevent a fall or assist with a skill.
- We ask that parents/guardians support their child in understanding the difference between appropriate and inappropriate touch, and encourage open communication about their experiences in class.

General Expectations

- Bunnerong Gymnastics does not support gossip, negativity, or behaviour that undermines our community values. All members, families and friends are expected to support our positive environment and be happy for others' progress and achievements.
